

## **Presidents Report to the Board of Trustees - First Unitarian Society of New Jersey**

May 9th, 2021

Now that Slack is up and running (Thank you Kim for troubleshooting and taking the lead), we need to continue planning. Please stay aware of the new messages and check in at -least- every few days.

We need to prepare for the annual meeting, and it continues to be important to actively recruit members who are willing to step up to board leadership. **Kudo's to Cass for her fantastic efforts on the budget, and thank you to Melissa, Cass and Gail for nominating committee!**

**I've continued to be involved in the following committees/groups:**

**Small-group Ministry** - Conducted Monday night meetings twice this month.

### **8th Principle Working Group**

- Worked to prepare the congregation for adoption of the 8th Principle and lead the congregational talk-back.
- Attended monthly meetings for this group.

**Atheist Agnostic Humanist Group** - Maintained ongoing communication with Rev. Ann Marie on Board/Church matters.

Moving forward, I expect to:

- Continue to attend groups and committees as above.
- Work with Board members to form small task groups to manage membership, outreach and welcome.

**Thank you, as always for your service and dedication to our congregation!**
